

# IEEE MOVE Outreach India

## Introduction and Collaboration Opportunities

# IEEE MOVE

*An Emergency Relief Program from the leaders providing Technology for Humanity*

## IEEE

IEEE is the world's largest technical professional organization dedicated to advancing technology for the benefit of humanity.

## MOVE USA

MOVE Community Outreach, an IEEE-USA Initiative, is an emergency relief program committed to assisting victims of natural disasters with short-term communications, computer, and power solutions.

## IEEE India Council

An umbrella organization which coordinates IEEE activities in India. Its primary aim is to assist and coordinate the activities of local "Sections", in order to benefit mutually, and avoid duplication of effort and resources.

# IEEE MOVE – Mobile Outreach Vehicle

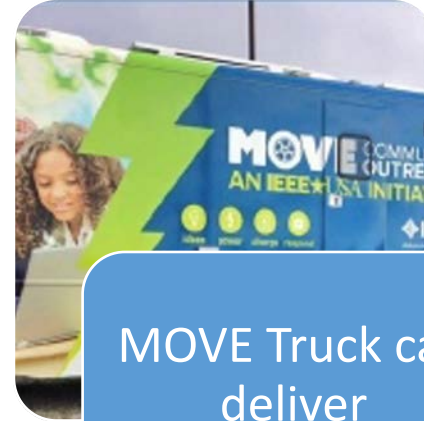

*An Award Winning Program – now in India*

Natural Disasters wreak havoc when they strike

Rapid access to power and communications is critical

MOVE Truck can deliver emergency relief, where and when needed

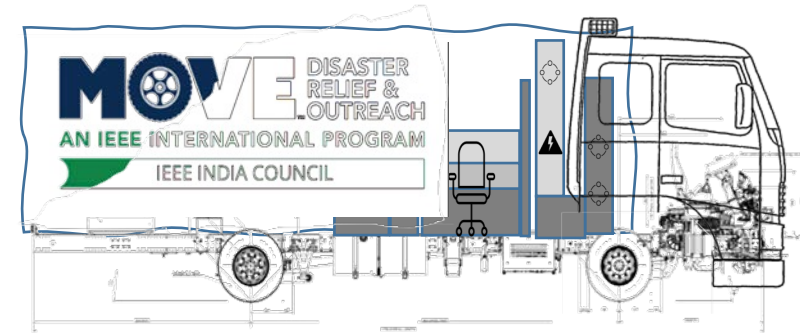

IEEE India Council has brought this program to India

# MOVE Truck

## *Self Contained Emergency Relief Vehicle*

- ▶ MOVE USA Truck is battle tested in over 20 hurricanes, floods and wildfires
- ▶ It has delivered relief where it is most needed
- ▶ Set up time of just 15 minutes
- ▶ Ability extended to operate 24x7 for days at a time

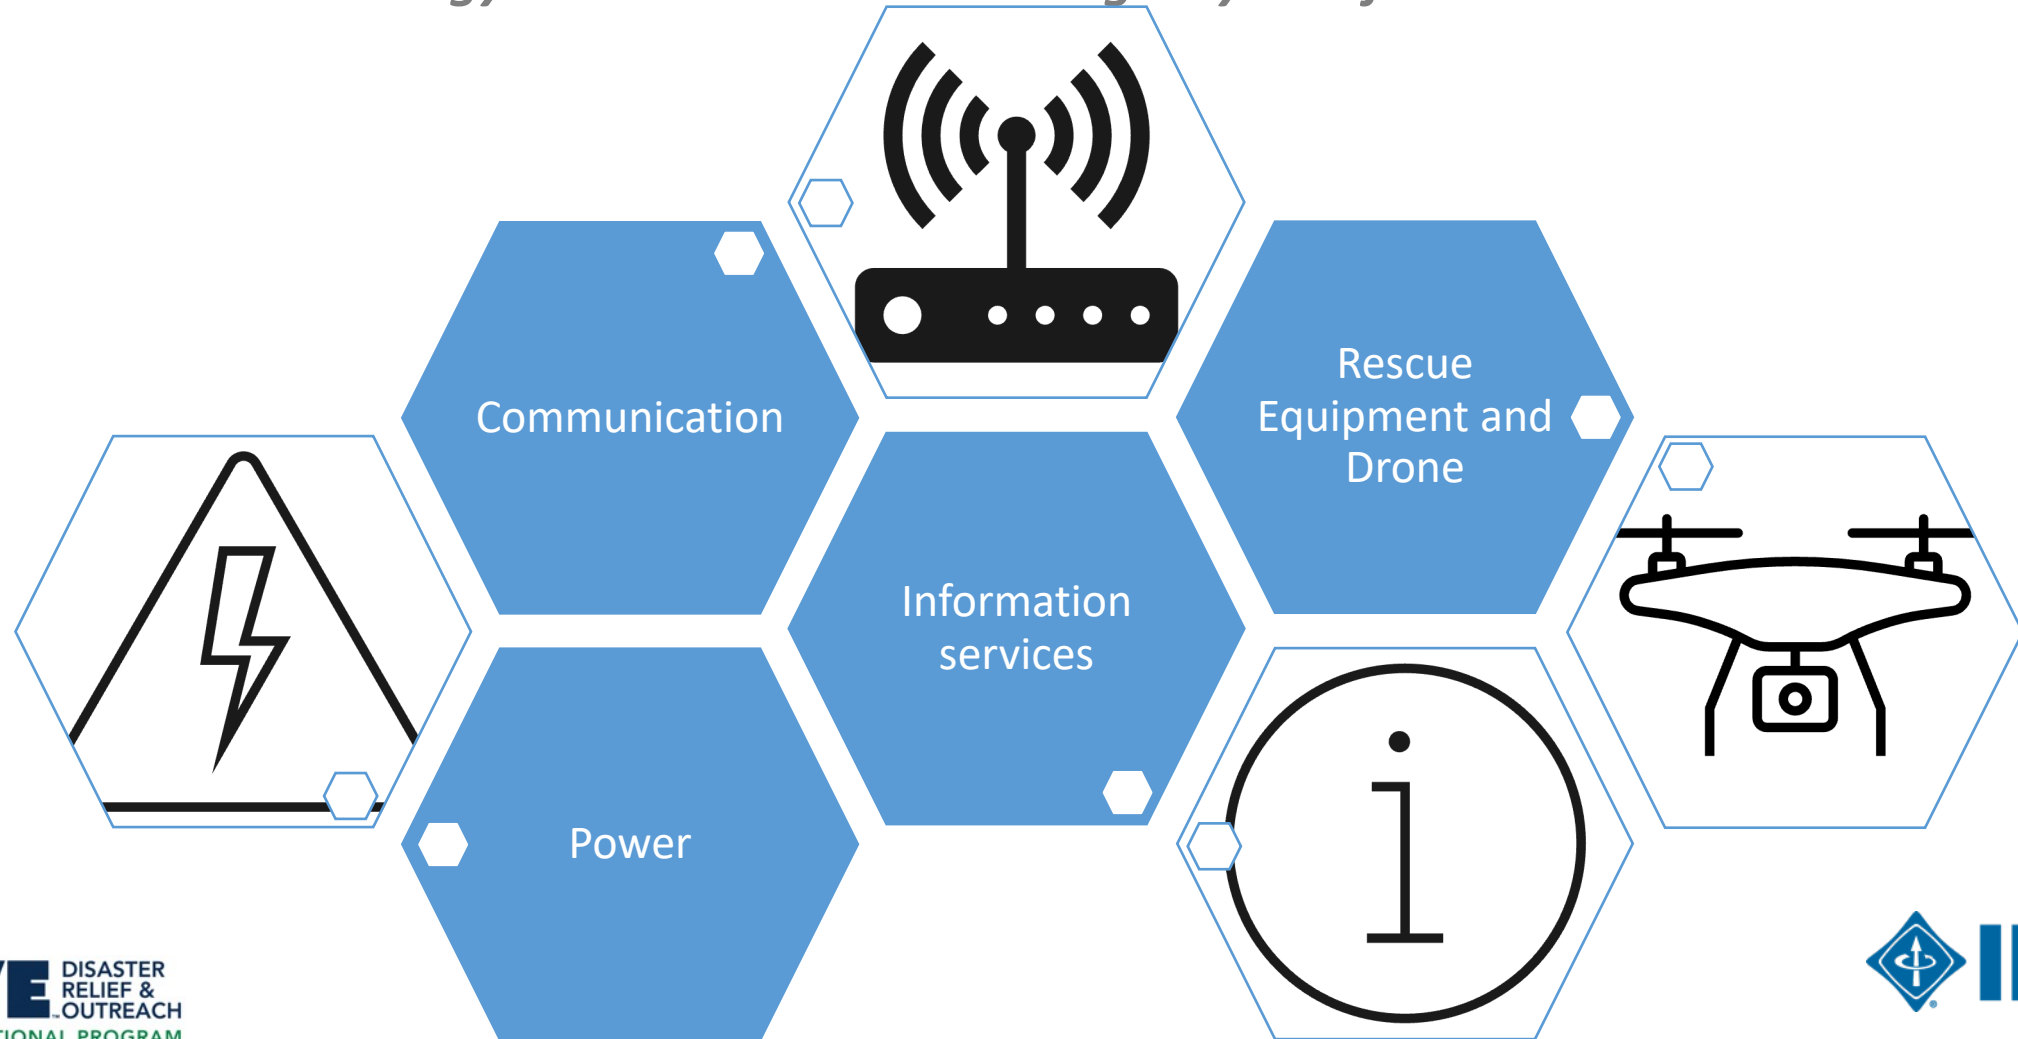

- ▶ MOVE India Truck is being designed and prepared
- ▶ Designed for Indian needs and conditions
- ▶ Will be ready to serve in Q4 2022
- ▶ Branding opportunities on the MOVE truck are available

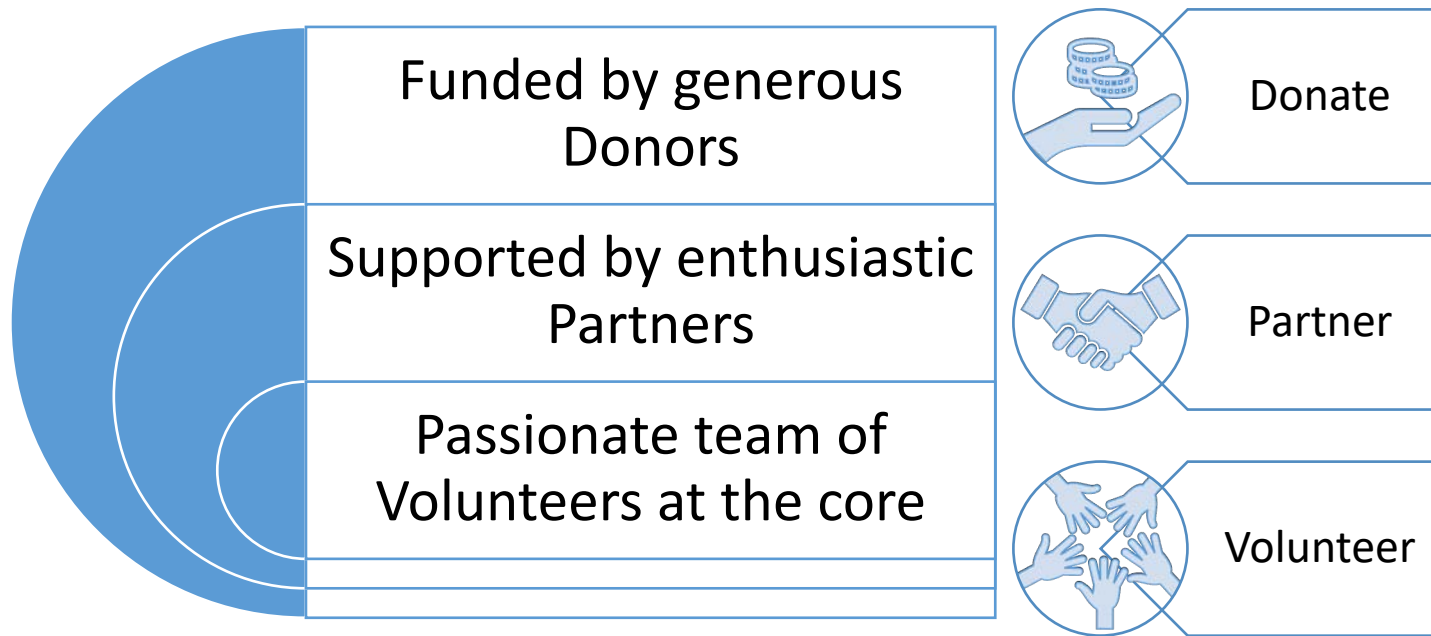

When not engaged in emergency relief, the MOVE Truck serves the community by carrying out STEM outreach in educational institutions

# MOVE Truck - Details

*Packed with technology to assist in diverse emergency relief activities*

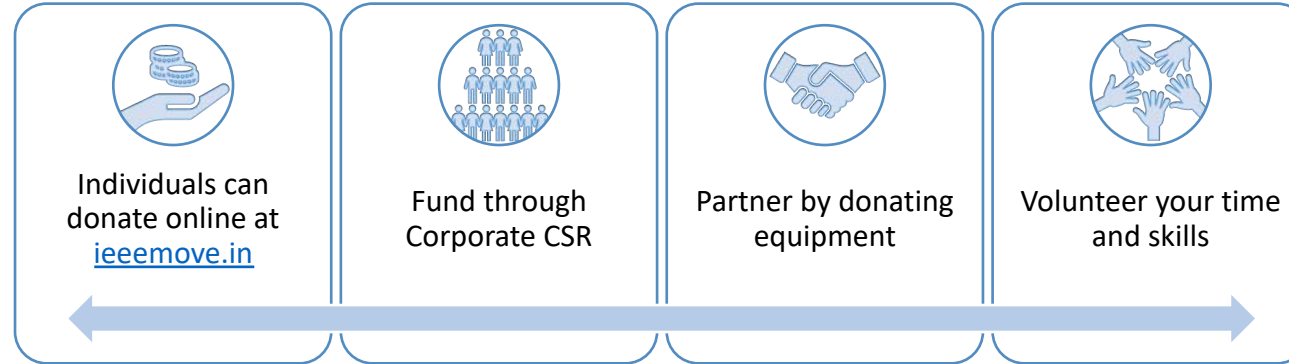

# Operating MOVE Outreach India

- ▶ MOVE is entirely managed by volunteers and funded by donors and partners
- ▶ Join hands with us through the several ways you can support

# Opportunities to collaborate
